Portfolio: [Takoat Hossain](#) | LinkedIn : [Takoat Hossain](#)

151/2/E South Pirebagh, Dhaka-1216

PROFILE SUMMARY

Electrical and Electronic Engineering graduate (CGPA 3.70/4.00-Unofficial) with hands-on experience in circuit design, power systems, and electrical troubleshooting through a wide range of practical projects and industrial training. Comfortable working independently, coordinating with vendors and teams, and managing tasks under tight deadlines. Combines a strong technical foundation with proven organizational and leadership experience, including managing finances for a 100+ member student body. Adaptable, target-oriented, and eager to take on field-based maintenance and operations responsibilities.

RELEVANT SKILLS

- Electrical & Electronic Systems Troubleshooting
- Circuit Design & PCB Design
- Power Supply & Control Systems
- Preventive & Corrective Maintenance Fundamentals
- Vendor & Team Coordination
- Budgeting & Financial Planning
- Problem Solving Under Pressure
- Adaptability & Independent Working

RELEVANT PROJECTS

- Variable Power Supply: Design and implementation of a regulated power supply circuit.
- Electric Vehicle: Electrical system design and integration for an autonomous vehicle project (SUST AutoDrive).
- Audio Amplifier Speaker Design: Design and troubleshooting of amplifier circuitry.
- Motion Controlled Miniature Car: Embedded electrical control system.
- Drone Projects: Electrical and control system integration.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Finance Secretary, IEEE Student Branch, SUST: Managed budgeting and financial planning, ensuring transparent allocation of funds across events and activities.
- Electrical Team Member, SUST AutoDrive: contributed to electrical system design and integration for the university's autonomous vehicle project.

TRAINING / INDUSTRIAL EXPERIENCE

- Training Certificate, ULKASEMI: Hands-on training in semiconductor/VLSI related concepts.
- Industrial Training, Neural Semiconductor: Exposure to semiconductor device fabrication and behavior.
- Field Visit: Undertook an industrial field visit to the Sylhet 225 MW Combined Cycle Power Plant, located at Kumargaon, operated under the Bangladesh Power Development Board (BPDB), Sylhet

EDUCATION

Shahjalal University of Science and Technology 2022 – 2026

- Bachelor of Science in Electrical and Electronic Engineering
- CGPA: 3.70 / 4.00 (Top 5%)

B.A.F Shaheen College Dhaka H.S.C. 2020

- Science Group- GPA 5.00 / 5.00

Monipur High School and College S.S.C. 2018

- Science Group- GPA 5.00 / 5.00

ACHIEVEMENTS / AWARDS

- University Merit Scholarship, Shahjalal University of Science and Technology (2021)- awarded a merit-based scholarship of BDT 1000 in recognition of outstanding academic performance (CGPA 3.77) in the 1st semester.
- University Merit Scholarship, Shahjalal University of Science and Technology (2021)- awarded a merit-based scholarship of BDT 2,400 in recognition of outstanding academic performance (CGPA 3.64) in the 2nd year.

LANGUAGES

Bengali- Native | English- Proficient | Hindi- Conversational
